ITINERARY

Day 1

Drive to Jinja City from Kampala

The day begins with pick up from your hotel by 6:00 am and have a morning brief before departure to Jinja. The journey will take approximately 2 hours driving through the Jinja- Kampala Highway and then drive through the Mabira tropical rainforest spanning 300 sq. km, situated in the Buikwe district between Lugazi and Jinja City.

Upon reaching Jinja we cross the new Nile bridge, head to the Source of the Nile where the boat ride for our first activity of the day.

The boatride takes approximately 1hr and then we proceed to Kira for Bungee Jump and then later Bujagali for Quadbike. Thereafter proceed to Busowoko Falls for natural water massage experience.

Following a busy exercise, we proceed to Jinja City where we spend a night.

Day 2

Drive to Kapchorwa from Jinja

After our early breakfast we'll drive to Sipi Falls, overlooking Sironko, and enjoy a panoramic view of Mount Elgon (4300m); the drive takes approximately 5 hours.

Then we start our hike. You can choose between a short or longer route to the waterfalls through fruit plantations and villages. One waterfall is perfect for taking a quick natural shower, and you can even enjoy a cold swim.

The longer version of the hike of approximately five hours (also included, but you can advise us of your preferences and level of fitness) will allow you to see all three waterfalls, a cave and the most beautiful scenery, passing through plenty of villages and fruit and coffee plantations. Whichever hike we choose today, it will be a beautiful day in paradise. We shall come back to town for (possibly late) lunch, relax a bit, and go for an insightful coffee tour where you will participate in the coffee making experience in a nearby village.

Abseiling is one of the activities here where you are suspended on a rope then glide downwards over a 100meter cliff overlooking the waterfalls.

Then we will drive back to our Mbale lodge for dinner and overnight.

Day 3

Departure for Kampala

Have an early breakfast then return to Kampala or Entebbe International Airport, and this concludes our 3 days tour of Jinja and Sipi Falls in Kapchorwa.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.

- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
