ITINERARY

Day 1

Drive to Kidepo and Afternoon Game Drive

Arrive at Entebbe International Airport for a briefing with your safari guide before heading to Kidepo Valley National Park via Kampala-Gulu highway. Located in the northeastern Kaabong district, Kidepo is known for its unique wildlife. Enjoy stopovers for stretching and lunch in towns like Gulu or Kitgum. Arrive at the park late at night for dinner and an overnight stay at your lodge.

Day 2

Game drive and Karamoja village tour

Start with a morning game drive in Kidepo Valley to see wildlife like lions, leopards, and elephants including visiting the famous Narus valley where you might spot buffaloes, giraffes, and possibly lions followed by a visit to the hot springs for stunning mountain views. After lunch at your lodge and some relaxation, then visit a Karamajong village nearby. The day ends with dinner and an overnight stay at a Lodge or a Camp in Kidepo.

Day 3

Departure

After breakfast, you'll return to Kampala via Gulu or Jinja Express roads, with stops for stretching and lunch. Expect to arrive in the evening, so avoid scheduling a departing flight for that day. You'll be dropped off at a hotel of your choice in Kampala.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
