TOUR SUMMARY

Ruaha National Park is one of Tanzania's largest and least visited parks. It is a dry, rugged landscape of baobab trees, rocky hills and the Great Ruaha River, and is known for large lion prides, elephants and both greater and lesser kudu.

This 5-day fly-in safari gives you three full days of game drives with a small number of other vehicles around.

GOOD TO KNOW

- Ruaha is remote, and the trip includes internal flights with baggage limits of about 15 kg in soft bags. The best game viewing is in the dry season from June to October. Tanzania park fees change regularly, so final prices are confirmed at booking.
- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
