TOUR SUMMARY

This 6-day safari takes you through the southern Namib. You start in the Namib Sand Sea, a UNESCO World Heritage Site with some of the tallest dunes in the world at Sossusvlei, then travel south to Aus and the coastal town of Lüderitz.

The highlight is Kolmanskop, a diamond-mining ghost town that is slowly being filled by the desert sand, and you can look for the wild desert horses near Aus.

GOOD TO KNOW

- Kolmanskop photography tours need a separate permit and are not always available. The coast can be cold and windy, and the interior is very hot in summer, so pack layers. Distances are long and some roads are gravel.
- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
