As you travel to Jinja, you'll encounter a stunning new bridge over the Nile River, offering amazing views and the sight of water flowing through the Owen Falls Dam.

After crossing, head to the Jinja Sailing Club for a boat ride to the famous Source of the Nile, where you can see the river's waters beautifully separating from those of Lake Victoria, after that proceed for lunch in local restaurant and then drive 27 kilometers to Itanda Falls to witness the powerful rushing waters and observe rafters navigating the challenging rapids.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
