TOUR SUMMARY

Spend a day in Jinja, known as the adventure capital of East Africa. The tour visits Itanda Falls, Busowoko Falls and the historic Source of the Nile, with a drive through Jinja town for a look at local culture.

ITINERARY

We will pick you up from your hotel at 6:30 am to beat the morning traffic on the Kampala-Jinja highway. Drive straight to Jinja City

As you travel to Jinja, you'll encounter a stunning new bridge over the Nile River, offering amazing views and the sight of water flowing through the Owen Falls Dam.

After crossing, head to the Jinja Sailing Club for a boat ride to the famous Source of the Nile, where you can see the river's waters beautifully separating from those of Lake Victoria, and then drive 27 kilometers to Itanda Falls and to witness the powerful rushing waters and observe rafters navigating the challenging rapids. Then drive to Busowoko Falls for natural water massage.

Busowoko Falls is a breathtaking sight! After an hour marveling at this natural wonder, head back to Kampala, where you'll be dropped off at your hotel, concluding your 1 Day Jinja, Itanda Falls, and Source of the Nile River Tour. Lunch will be parked in Jinja and saved either in Busowoko or Itanda Falls.

Other optional activities include tubing on the nile and quadbike riding.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
