TOUR SUMMARY

Discover Kampala, Uganda capital, on a full-day guided tour. The city was established in 1890 and became the capital through the Buganda agreement in 1900, and it is divided into five divisions: Central, Kawempe, Makindye, Nakawa and Rubaga.

ITINERARY

Historical monuments, temples (Indian and Baha'i),

Buganda Kingdom, Gadhafi Mosque, Kasubi Tombs, Makerere University, the Martyrs Shrine, and the Uganda National Museum. Enjoy local cuisine, panoramic views from the city's seven hills, and souvenir shopping.

Begin your journey at Makerere University, Uganda's oldest institution, and visit the historic Kasubi Tombs, a royal burial site. Explore the Buganda Kingdom's administrative center, view Kabaka's Palace, and learn about the Idd Amin torture chambers. Don't miss Gadhafi Mosque, the largest in East Africa, for stunning views of the city and notable landmarks.

Explore Kampala CBD and beyond, visiting key sites like the Mutesa II Monument, World War II Monument, and the Uganda National Cultural Centre. Stop by Nakasero Market, established in 1895, and immerse yourself in local culture at Hindu temples such as Shree Swaminarayan Mandir.

Next, visit the Uganda National Museum, the oldest in East Africa, and the Uganda Martyrs Shrine, a significant pilgrimage site. Don't miss the Baha'i Temple, the only one in Africa—remember to maintain silence and avoid cameras inside; it's closed on Mondays and Fridays.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
