TOUR SUMMARY

This full-day tour combines nature, culture and adventure.

You start at Ssezibwa Falls, a cultural and natural site with traditional Baganda stories linked to it, and then go ziplining in Mabira Forest.

ITINERARY

Embark on an exciting one-day adventure to Ssezibwa Falls and experience zip-lining at Griffin Falls Camp. Located just 20 miles from Kampala, Ssezibwa Falls is renowned for its cultural significance and natural beauty, surrounded by lush greenery and diverse wildlife.

The journey begins with a pickup from your hotel at 7:30 am, traveling along the scenic Jinja highway, where you'll pass beautiful tea and sugar plantations. Our first stop is Namawojolo for snacks before heading to Ssezibwa Falls, where you can take in the majestic views and enjoy short walking trails.

Next, we'll proceed to Griffin Falls Camp, nestled in Mabira Forest, just 10 km from Lugazi. Here, you'll experience the thrilling Super Skyway Zipline, soaring over the forest canopy and enjoying panoramic views while spotting various wildlife. Don't miss the breathtaking Griffin Falls during your adventure.

Afterward, savor lunch at the Griffin Falls Camp Restaurant and enjoy a leisurely stroll around the camp before we head back to Kampala. You'll arrive by 6:00 pm, concluding a memorable day filled with nature and excitement.

GOOD TO KNOW

- Packing for Safari? Keep it simple!
- Bring comfortable, lightweight clothes in natural colors like khaki, olive, sand, and earth tones. Pack layers too: mornings can be surprisingly chilly, while the middle of the day gets hot. You don't need a fresh outfit for every day, since most lodges and camps can arrange laundry service.
- Don't forget your sun protection: a good hat, sunglasses, and sunscreen. Comfortable shoes are enough for most safaris. Heavy hiking boots are only needed if you're doing a walking safari, primate tracking, or mountain climbing.
- A good pair of binoculars is a must. A camera is great, but binoculars will transform the way you experience wildlife, especially birds and animals that are far away.
- For luggage, we recommend a soft-sided bag over a hard suitcase. It fits much more easily into safari vehicles and small aircraft, where space is tight and weight is often limited to 15 kg.
- Most importantly, don't overpack. Travel light and enjoy the adventure!
